Dear Gonzalo:

Thank you for your letter of February 3, 2005, advising us of the willingness to serve of all of the arbitrators identified in Mexico's letter of January 7, 2005. Pursuant to your request, we hereby advise you of Corn Products International, Inc.'s agreement to the appointment of each of the arbitrators so identified to the panel established by agreement of the parties to hear Mexico's request for consolidation. We have brought to our client's attention Mr. Rovine's disclosures regarding certain representations of his law firm; we wish to advise you that our client has no objections to his appointment based on these disclosures.

With regard to the last paragraph of your letter, we anticipate we will be advising you of further understandings reached by the parties regarding these consolidation proceedings in the near future.
